TCWS has been granted increases in the past and has not made necessary improvements. They claim they have significantly reduced the number of spills into Lake Wylie. This spring a reported sewage spilling into the lake and it took three days to respond. The Catawba River Foundation could not even get them to respond in a timely manner. The rates they currently charge are much higher than surrounding municipalities.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *

I will be at the hearing.
